Premiss : Release Letter for remittance of sample product for observation only

Mr./Mrs./Ms.

This letter hereby authorizes you to have in your possession a quantity of **4 (four) Universal T-10 4ft Fluorescent tube replacement lighting device** for a period of 30 (thirty) days from the starting date indicated in the header of this letter.

The item(s) remitted to you is (are) under patent (PCT) protection and as such are strictly for observational / functional testing only and is (are) not to be opened, altered, modified, improved, damaged or tampered with in any way what so-ever. In addition, any form of recording / deciphering / data mining device weather; thermal, visual (infrared, X-ray, ultraviolet, photographic), chemical, electrical or human (engineer / chemist) is strictly prohibited from use as a form of observational / functional testing for the objective of reverse-engineering.

If the samples remitted to you are found to be altered, damaged or tampered with in any way and not subject to a reasonable explanation, than it will be deemed that a breach of confidentiality has occurred. An injunctive subpoena for obtaining of punitive damages will be sent to your administration or legal department from our council and subject to the terms and conditions outlined in our previously signed *Confidentiality Agreement*.

Bramal Inc. will co-operate with you in any way possible which does not put in jeopardy or breach of confidentiality our developed product / technology. It would be our pleasure to assist you in obtaining any further information which is in our power to grant and we hope to develop a fruitful and mutually beneficial relationship with your company subsequent to your evaluation of our product / technology.
