To Whom It May Concern:

Working with the Bramal Led Inc company and team was a great experience as well with their representative – Jean Gagnon. The Bramal LED products are superior to anything I have seen in the market in price, lighting and quality.

Communication on the quote, delivery, installation, disposal and application process for the Hydro grant was clear and easy to follow.

Follow-up communication was quick and appreciated.

I would recommend Bramal Led Inc to any business.
